Office of the Deputy Commissioner,

Kadur District.

Dated Chikmagalur, 17th June 1917.

From

B. Ramaswamaiah, Esquire, B.A.,

Assistant Commissioner in cnarge of the District,

Kadur District.

To B. Ramaswamaiah, Esquire, B.A., B.L.,

Secretary to Government of His Highness the

Maharaja of Mysore, Revenue Department,

BANGALORE.

SIR,

With reference to Government order No. 6879-904/LB 104-16-2 dated 28th April 1917 and subsequent reminder No. 7765-8/LB dated 9th istant with regard to the reorganisation of the Local Boards - establishment in the District office and in the offices of the -- President of Municipalities, I have the honor to state that the -- scale of establisment proposed for the Light work District will-- do for the office of the President of the Kadur District Board.

As regards the establishment required for the office of the Presidents of Municipal Boards I beg to enclose herein copy of memo dated 9th instant received from the Assistant Commissioner of Kadur Sub Division who is the President of Tarikere, Birur and Narasimharajapura Municipalities for the present. It is also contemplated to constitute some more Towns in this Sub Division as Regulation -- Municipalities under the Local Self Government Scheme. Considering these circumstances the scale of Establishment proposed by him for the Municipal Branch of his office appears reasonable and may be --

be sanctioned .

The Deputy Commissioner is indirect charge of two Taluks viz., Chikmagalur and Mudigere and there will be two Municipal Towns in his charge as President . To look after the work of this Branch in his office a separate establishment is necessary. In case one more Sub Division is formed and an Assistant ------ Commissioner is placed in charge of these two Taluks the same Establishment will have to be transferred to him. For this also the scale proposed for the Kadur Sub Division-Office may be -- adopted. the Deputy Commissioner's office being provided with a separate clerk out of State Funds.

I have the honor to be,

Sir,

Your most obedient servant,

Assistant Commissioner in charge of the

Kadur District.

Encl 6 to 8 (10) 39

Office of the Sub Divisional Assistant

Commissioner, Kadur District,

Dated Chikmagalur the 9th June 1917.

MEMO.

At present the Sub Divisional Assistant Commissioner is the President of the Regulation Municipalities of Tarikere, Birur and Narasimharajapura, and one of the Clerks of the Local Fund Department of the Deputy Commissioner's Office has been deputed to help in attending to the work of these Municipalitie in this Office, Viz. the preparation of the monthly accounts, maintenance of the prescribed registers annual budgets and also to the disposal of miscellaneous papers and estimates of works and making payments for miscellaneous charges and work bills and maintaining of registers connected therewith.

2. The other important items of work Viz. the preparation of the annual Adminstration Report, drafting of bye-laws and ---- attending to the correspondence with the Government direct are carried out by the Officials of the Local Fund Department in the Deputy Commissioner's Office.

3. The necessity for increasing the strength of the above Department ~~(in the Sub-Division office)~~ has been recognized by Government so far back as 14th July 1913 and there is no gainsaying that the introduction of the above mentioned Scheme

Scheme has added to the same.

4. The increase of work and the responsibility placed on the officials has rendered it necessary to fill the post with competent men whose services cannot be secured if sufficient inducement is not held out to them.

5. Government, in their Proceedings No. 3005-55/Ml.132-16-1 dated 16th November 1916 sanctioning the Scheme for the Local Self Government in Mysore, have ordered that there will hereafte be no Municipality outside the purview of the Municipal Regulation. This means that all the provisions now applicable to - Regulation Municipalities only will hereafter become applicable to all the other Municipalities also and the result is a ----- general increase of work in the Municipal branch.

6. The question now for consideration is to what extent the work of the Municipal branch of this office has increased by - the introduction of the Local Self Government Scheme and what establishment is necessary to efficiently discharge this increased work.

7. The formation of new minor municipalities at Sivane and Ajjampur have been recently sanctioned by Government and also the constitution of Kadur and Koppa Towns as regulation municipalities. Including Tarikere, Birur and Narasimharajapur the

the total number of Municipalities in the Sub Division will be 7 and the Sub Divisional Assistant Commissioner will, as at present, be the President of all these Municipalities.

2. It is stated in the said Scheme that no establishment will hereafter be maintained in the Deputy Commissioner's Office for Municipal work and therefore the work now turned out in the Deputy Commissioner's Office in connection with the above Municipalities devolves on the establishment doing municipal work in this office.

To cope with this work the following establishment seems to be necessary:-

1. Head Clerk on Rs. 40/- with the necessary qualifications to attend to correspondence etc. and to supervise the work of the Department.

2. An accountant on Rs. 30/- is quite necessary to check the estimates and bills for works executed and other miscellaneous charges and maintaining registers connected therewith and to the preparation of all these connected accounts. Besides this he has to reply to the audit notes of the Comptroller on the examination of these accounts of every Municipality which will be done by the auditors of the Comptroller's Office once in every six months

and also to take action to remove or remedy the defects or -- omissions pointed out in them.

The services of a clerk on Rs. 25/- to type or or fair copy English papers and maintain the English " From " and " To " registers and to attend to the despatching work.

A clerk on Rs. 20/- is necessary to maintain the Kanarese -- " From " and " To " registers and to attend to the despatch of vernacular papers.

One peon on Rs. 8/- will be required to clean the office premises, the posting of covers to the Post office and other miscellaneous work in office.
